Spring Creations in Footwear

WE INVITE YOUR
INSPECTION

Easter is upon us again with its demand for new footwear. No gown or suit is at its best if accompanied by a poor pair of shoes. To meet the demand for Easter shoes we have managed to get our stock of shoes and Oxfords in early and we can show you a complete line of dandy footwear. All styles are here from the extreme narrow toes to the wide "Freak" toes. In men's we are showing a large variety of shoes and leathers at from \$2.50 to \$5.00. Our women's Oxfords are beauties—high Cuban heel, short vamps with or without tips, all leathers \$1.25 to \$4.00. In children's we have many new things—Sandals Pumps, Side Laces and White Shoes, etc.

ALL RECORDS ARE BROKEN

Hottest Day of the Year is
Experienced.

THE OLD RESIDENTS SAY

Such Weather has not Been
Seen in 40 Years.

Business Men are Wearing Smile
That Won't Come off—Frost
Would do Much Damage.

The temperature during the noon hour today reached 84 degrees, the highest of the year and the highest point reached during March for probably the past twenty years.

The weather despite forecasts to the contrary, took a decided turn last Thursday and since that time it has been more like summer than early spring. The rain this morning acted like magic upon nature, and it was almost possible to see the grass grow with the naked eye. Trees are budding out and fruit is farther advanced today than is usual during the latter part of the month of April. It is feared that the season of frosts has not yet passed and that the entire fruit crop of the county is liable to be destroyed.

Every day this week, with the exception of last Sunday, the mercury has hovered about eighty. Old residents say that a week of this kind of weather in March has not been experienced here in the past forty years.

To business men, the opening of the weather has been a Godsend, and March, usually a dull month, is proving a record breaker. It is estimated that more money will be spent in Marion this year for Easter wearing apparel than ever before. The principal cause seems to be the summerlike weather.

The average citizen does not wish the weather man any had luck, but he hopes that every time he prophesies cold weather his guess will be wrong.

Merely Personal

Mr. A. B. Minard, of Cleveland, is the guest of friends in the city.

Earl Longstreth of Marion spent Sunday with his parents, Mr. and Mrs. T. W. Longstreth, of Galion, Inquirer.

Mrs. Henry Yochum has returned to her home in Marion after a visit with Galion relatives, Galion Inquirer.

Mrs. M. A. Gee left today for Dundee, Michigan, where she will remain several days as the guest of relatives.

Charles Keiser, chief of the Delaware Fire department was shaking hands with Marion friends Monday. Mr. Keiser was formerly a member of the Delaware police detective force.

Miss Clara Ewalt, teacher of English in the high school is off duty on account of sickness. Mrs. N. L. Gebhardt is substituting in her place.

DR. C. C. MARSH IS GRADUATE

Of School Located in Zanesville.

GAVE OFFICIALS THE SLIP

And for a Time His Whereabouts Were Unknown.

Contractors Must Secure Building Permits or Arrests will Follow—Charles Freedman Abuses Horses

Through investigations conducted during the past weeks, Mayor Scherff and Chief of Police Cornwell, have learned that little attention is being paid to the ordinances requiring contractors building or making additions to houses, first securing licenses from the city clerk. The authorities investigated the matter a short time ago and brought a large number of contractors to time without having to fine any of them. Most of them observed the ordinance for a few weeks after which they neglected to conform to the law.

It is stated that during the past year, about 360 building permits were issued, but that almost twice that number of houses were built and the city was cheated out of the fee that is received when the licenses are issued. A large number of houses are built without permits being taken out and consequently the dwelling house is not put on the tax duplicate for a long time afterward.

In order to make this certain in the future, the police have been instructed to investigate thoroughly, and to arrest all persons engaged in building houses unless they can show that they have been given a permit.

Regarding the arrest of Dr. Cecil

C. Marsh, of this city, the Ohio State Journal, as a result of an interview with Dr. George H. Matson, secretary of the state board of medical registration and examination says:

"Dr. Marsh calls himself a neuropathic magnetic healer. He is a product of a school in Zanesville. Last summer we filed affidavits in Zanesville against 14 of these men turned out by this school. There have been three trials with a disagreement each time by the jury. We were after Dr. Marsh at the time, but he left Zanesville and we were unable until lately to locate him. Clarence Layman, of the attorney general's office, will prosecute the cases."

Charged with cruelty to animals, Charles Freedman was arrested on West Center street last night by Officer Bond and brought in to the mayor's court. Freedman was driving a team belonging to the Dock livery and was severely beating the animals. One of the employees at the Dock livery accosted Freedman and in a scarp gave him a severe beating.

Freedman admitted that he had been too severe with the horses and

the mayor fined him \$5 which he paid.

Frank Ring, a tramp, was arrested last night for drunkenness by Officer Chapman. Ring had no money so he was not fined by the mayor, but was ordered out of town.

REV. W. Z. ROBERTS

Conducts Quarterly Conference of the U. B. Church.

The regular quarterly conference of the United Brethren church was held last night. Rev. W. Z. Roberts, of Lima, presiding elder of the district, had charge of the gathering. The reports of the various committees, and organizations of the church showed them to be in excellent condition. After the business meeting, Rev. Roberts gave a short talk on "The Doctrines of the Church."

The Ladies Aid Society of the Free Baptist Church will hold an Easter Sale in the basement of the church on Center street, Saturday, March 30th.

Take supper with the ladies at Epworth Church, Thursday evening. Annual Easter supper. It's for everybody. You are expected. It

Advance Announcement from To our Friends and Patrons:

My Tailor

West Marion

The most popular materials in Men's Suits for the spring, 1907, are BLUE OVER PLAID SERGES AND GREY CLUB CHECK WORSTEDS, broad collars, broad lapels and deep vest openings. The back of the coats are slightly curved to the waist. The fronts close generally with three buttons. The single breasted coat is the more popular garment, although the double breasted is retaining its favor among the men of slender build. For more particulars see

"My Tailor"

531 West Center Street.

Next Thursday's issue of this paper will tell you more about it.

"MANHATTAN"—The Quality Store.

Spring Whispers

"Manhattan" Spring Suits are far superior to the ordinary sort that confront you everywhere. They come directly from the workshops of the country's best makers. All the latest "style kinks" embodied in them. See our Eastern Novelty Suits.
